Conversations With Jesus: The Woman at the Well
By Paul Webster

Main Points:

- 1. When Jesus meets people face to face He reveals the truth about God and what is truly in their hearts.**
 - 2. When Jesus meets people face to face He breaks down barriers between them and God.**
 - 3. When Jesus meets people face to face He exposes the truth that will set them free.**
 - 4. When Jesus meets people face to face He transforms their lives and communities.**
- Bottom Line:** Conversations with Jesus reveal the truth and set us free.

Remember: Jesus meets our deepest spiritual needs. He offers "living water," eternal life through the Spirit. True worship is in Spirit and truth, transcending cultural barriers. Jesus transforms lives and communities, revealing Himself as the Savior.

Family Discussion Questions:

1. What questions would you ask Jesus if you could speak with Him face to face?
2. How does Jesus' offer of "living water" apply to our lives today?
3. In what ways can we allow Jesus to reveal and heal the broken areas of our hearts?
4. How can we share the truth of who Jesus is with our community, like the Samaritan woman did?
5. What barriers might we need to overcome to worship God in Spirit and truth?
