**Acts: To the Ends of the Earth**  
**A Vision for All**  
**By Paul Webster**

**Major Points:**

1. The Lord was already there working.
2. We need the Holy Spirit to work on us before we go.
3. Live on mission with God's Word, and you will become more aligned to His vision for His world.

**Bottom Line:** Jesus sent us to the world for world to be rescued and restored.

**Family Discussion Questions:**

1. What is one experience that has changed your perspective on the world? How did it impact your view of others?
2. In what ways do you think God is calling you to step outside of your comfort zone to share the Gospel?
3. How can we actively show God's grace to those we consider "different" from ourselves?
4. What are some practical steps your family can take to support missions, both locally and globally?

**Scripture References:** John 3:16-17; Acts 1:8; Acts 10:1-11:18; 1 Corinthians 9:19, 22b-23

**Pray for our DR Mission Team!** We ask that our church family and friends please take a moment to pray our Dominican Republic Mission Team this week and next. Central's team of 8 will be traveling to the DR in support of Eastern Dominican Christian Mission. While their they will lead Vacation Bible School and two ladies Bible studies, distribute food, help with a teen camp, and work alongside EDCM's partner churches in other small projects along the way.

Thank you for your prayers and encouragement as they shine the light of Jesus by serving our Dominican brothers and sisters and as the Church carries the Gospel to the ends of the earth!
